

## Parts & Personnel Protection

In the flurry of activity on a busy production floor, sometimes people run into equipment, and sometimes parts and/or carts collide. Ergomat Bumper Guards, Cart Stops and Edge Protectors offer a variety of devices to prevent personal injury or product damage in a dynamic work environment.

## LED Bumpers

Ergomat LED Bumpers imbed dimmable LED strips into our various bumper profiles. They are available for both mobile and fixed-point applications to improve work processes as well as safety. If you have a project that would benefit from applying an LED Bumper solution, please contact us to discuss your needs.
